* Significant under-reporting by law enforcement (a significant percentage--over 25%--of the population within the county was not represented in the county total, as local law enforcement agency(s) did not provide juvenile arrest information); therefore, the actual number of arrests for the county is greater than the total reported.

** Data include juveniles under the age of 10.

Drug Offenses include sale or possession of: opium or cocaine and their derivatives (morphine, heroin, codeine), marijuana, synthetic narcotics, and other dangerous nonnarcotic drugs (barbituates, benzedrine, etc.).

Alcohol offenses include: driving under the influence, liquor laws (liquor law violations include transgression of any state or local liquor law except drunkenness and driving while intoxicated) and drunkenness.

Note: In 2011, one arrest was reported as driving under the influence for a juvenile under age 10 that was included in WASPC's "Crime in Washington" report--this arrest was not included in the juvenile arrest data within this report.

Note: 2011 Juvenile arrest data should not be compared to previous years' data due to the conversion from Summary UCR to NIBRS reporting and the inconsistent reporting in the "all other offenses" category.
